The New Mexico Gaming Control Board, through the State Gaming Representative, monitors the 2001 Tribal-State Gaming Compacts signed by thirteen Tribes/Pueblos. The compacting Tribes/Pueblos pay revenue sharing and report "Net Win" quarterly. "Net Win" is the amount wagered on gaming machines, less the amount paid out in cash and non-cash prizes won on the gaming machines, less State and Tribal Regulatory Fees. From this amount, the casino must pay all operating costs. "Net Win" is not the net profit of the casino. The total amount paid to the State Treasurer for the quarter ending June 30, 2006 from the thirteen Tribes/Pueblos operating casinos was \$12,683,356. This revenue is deposited into the General Fund of the State of New Mexico.
